About Pitcher Partners

Pitcher Partners Melbourne is a full service accounting and advisory firm with 42 partners and more than 600 professional and support staff with a strong reputation for providing the highest quality advice to public and privately owned corporates, mid sized sector entities, family businesses and Not For Profit organisations including professional and industry bodies, employer and employee associations, charitable trusts, health, welfare and education providers and sporting associations organisations.

Our size means we are able to meet the challenges faced by larger clients, while our structure allows us to deliver responsive, high quality cost-effective service. At Pitcher Partners we pride ourselves on being a partner led firm. Partner involvement at all phases of service delivery is a key differentiator for Pitcher Partners and forms the basis of our client service philosophy.

Pitcher Partners was founded on the principles of personal service, honesty, trust and open communication and is deeply committed to client care as well as cost effective client outcomes. We take great pride in our reputation for these values within the business community. We are also proud of our reputation as a caring employer, providing an environment that allows our professional and support staff to reach their potential, meet challenges and achieve recognition for services outside the firm. Our commitment to care for our clients and staff extends to the wider community and we have a long history of supportive community involvement overseen by our Corporate Social Responsibility Committee.
