For details of other possible benefits, please refer to the FSG and/or your Advice Documents. All fees and commissions outlined below are exclusive of GST.

Initial Consultation

This initial meeting is at no cost to you unless a fixed fee is agreed in advance and in this case, we may charge between \$0 and \$1,500 for this meeting.

Our main aim is to gather information about you and to determine your primary goals and objectives in seeking advice.

At the end of this meeting, we will outline the next steps and detail any fees applicable.

Advice preparation

You may be charged a Statement of Advice preparation fee which will depend on the complexity of your individual circumstances and type of advice you require. Any fee for service must be paid within seven (7) days of the date of the tax invoice issued to you. The fee may range from \$0 - \$25,000.

Implementation

We will outline the details of any fees, including Implementation Fees, for you to authorise before any work is carried out.

If you elect to proceed with our advice the fee will range from \$0 to \$10,000.

Insurance products

My company or I may receive up-front commission of up to 60% (exclusive of GST) of your first annual insurance premium for arranging your cover. In addition, my company or I may receive, after the first year, an ongoing annual commission of up to 20% (exclusive of GST) of your annual insurance premium. Note that where commissions are the same for initial upfront and ongoing annual commission (i.e. level commissions) the above commission caps do not apply.

These commission payments are made by the relevant product issuers and are not an additional cost to you.

Ongoing fee for advice

If you elect to pay a fee for access to services involved in the ongoing review of your financial planning strategy, the ongoing fee is based on the complexity of ongoing advice and the services provided.

The ongoing advice fee will be based on the level of services made available to you and the complexity of the advice. Complex advice requirements include the use of trusts and ownership structures, overseas assets, or incomes, executive options, or multiple investment entities. The frequency that review services are made available to you will also impact on the fee charged.

The ongoing advice fee can range from \$1,500 - \$65,000 per annum.

Investment transaction fees

If we complete trades on your behalf, we may charge a fee between \$0 and \$5,000. Note that your adviser will not charge fees on transactions made under a MDA Service.

Ad hoc advice

Where you do not wish to participate in an ongoing advice fee arrangement but require ongoing advice on an ad hoc basis, an hourly fee of between \$0 and \$500 per hour may apply.

Other benefits, interests, or associations

I or my company may have referral arrangements with selected referral partners. If a referral arrangement applies to you, we will provide you with further details.

Managed Discretionary Account (MDA) Service

Nature of the MDA Service

Pitcher Partners Wealth WA Pty Ltd offers a MDA Service that enables you to provide Simon with the discretion to manage your investments in accordance with the MDA Contract and Investment Program.

You must first enter into a MDA Contract in order for you to utilise the MDA Service.

The Investment Program is reflective of your financial circumstances, needs and investment objectives and stated risk profile. It is intended that your portfolio assets will be actively managed by Simon to facilitate the achievement of your needs and objectives within the parameters of the Investment Program.

The MDA Contract and Investment Program are prepared by Simon and contain the following information:

- The nature and scope of the discretions that Simon will be authorised and required to exercise in managing the investments;
- Any significant risks associated with the MDA Service;
- The basis on which Simon considers the MDA Service suitable for you; and
- Warnings that the MDA Contract may not be suitable for you if you have provided limited or inaccurate information and that the MDA Contract may cease to be suitable if your circumstances change.

Simon will be responsible for reviewing the Investment Program annually. This will be performed as part of the Annual Review process.

Under the MDA Service, you delegate to Simon the investment discretion pertaining to your portfolio, including the decision on rights relating to the investments, such as Corporate Actions. In such instances, Simon will not be required to communicate with you to seek your instructions.

Significant risks associated with investing through the MDA Service

The significant risks associated with investing through the MDA Service are more fully described in the Investment Program; however you should be aware of the following:

The investment discretion involves the selection of assets exposed to the higher-risk investment sectors such as property, the share market and international investments and therefore entails exposure to capital risk.

The Investment Program is based on your relevant personal and financial circumstances, needs and objectives and risk/return preferences. Therefore, there may be risks associated with a change to those circumstances, needs, objectives and risk/return preferences which affect the appropriateness of the Investment Program.

Your portfolio assets will be subject to active management and therefore you will generally not be aware of the investment transactions being undertaken on your behalf until after the event and therefore such involves information risk.

External Portfolio Management Service Provider

The MDA Service may utilise the services of a Portfolio Management Service Provider through which all transactions on your MDA portfolio will be made. As a result, you will also need to enter into an agreement with the Portfolio Management Service Provider to authorise them to act on the instructions of Simon.

The MDA Service may utilise BT, HUB24 & Macquarie as a Portfolio Management Service Provider for the administrative functions, reporting, and custodial and depository services associated with your portfolio.

BT's contact details are as follows:

Address: GPO Box 2675, Sydney NSW 2001
