About us

Pitcher Partners Sydney Private Wealth Pty Limited ('PPSPW, us or we') is part of the Pitcher Partners Sydney Firm and is a privately owned and run company associated with the Pitcher Partners network of separate accounting firms. The Pitcher Partners network is represented by Pitcher Partners Melbourne, Pitcher Partners Sydney, Pitcher Partners Perth, Pitcher Partners Adelaide, Pitcher Partners Brisbane and Pitcher Partners Newcastle, and is a network member of Baker Tilly International Limited.

PPSPW holds Australian Financial Services Licence 563803 ('AFSL'), which authorises us to provide a range of personal financial advice and services to you. Managing over \$2.5 billion in Assets Under Management (AUM), our experts know the best way to protect and grow your wealth. This FSG is used by our Advisers to inform our retail clients of the financial services provided by us, and is designed to assist you in deciding whether to use our services. We are obliged to provide you with a minimum level of information as required under the Corporations Act 2001 (Cth) and our AFSL.

If you decide to use our services, you will receive this FSG and your Adviser's profile, which provides you with more information about your Adviser, including their contact details, experience and qualifications. You should read these two documents together.

Lack of Independence

PPSPW is not independent, impartial or unbiased in relation to the provision of personal advice because:

1. In *some* cases, we may receive revenue such as placement fees from wholesale investment offerings. Please note we fully disclose any benefits received to clients prior to placing investments; and
2. We may receive commission from historical insurance advice we provided on life risk products held within custodial platforms (e.g. Wrap).

How can you give us instructions about your financial products?

To develop a successful financial strategy, including recommending suitable products and services to meet your needs, we need to consider your personal circumstances and financial needs, goals and objectives. We will ask you for information about your personal circumstances when we meet with you.

You have the right not to provide us with personal information. However, without this information, or if it is inaccurate, the advice you receive may not be appropriate for your personal circumstances. If the information is incomplete and/or inaccurate, your Adviser may provide you with a warning that the advice may not wholly represent your needs, objectives or financial situation.

It is also important that you keep us up to date by informing us of any changes in your circumstances, so we are able to determine if our advice continues to be appropriate to your circumstances. It is important that you provide us with complete and accurate information about your circumstances and you take the time to check any assumptions we make and the basis for our advice. If you don't our advice may not be appropriate for your needs.

You can deal with us in person, by phone or email. You may also make an appointment to see your Adviser in person as part of a scheduled review meeting or for any other matter. Your Adviser will use the most recent contact details we have for you to communicate with you. If you have provided an email address, and unless we agree otherwise, we will generally use that medium to communicate with you.

Our initial advice will be provided to you in a financial plan, known as a Statement of Advice ('SOA'). The SOA contains a summary of your goals and the strategies and financial products we will recommend to help you achieve your goals. It also provides you with detailed information about the fees, costs and other benefits we will receive as a result of the advice we have provided. We will maintain a Record of Advice ('ROA') for any further advice and/or reviews we provide to you.

You have the right to request a copy of these documents up to seven years after the advice was provided by contacting your Adviser.

Documents you may receive

If we recommend or arrange a financial product for you, we will generally provide you with the relevant product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide (as applicable). These documents contain the key features of the recommended product, such as its benefits, and risks as well as the costs you will pay the product provider to professionally manage your investment or insurance. You should read any warnings contained in your SOA, the PDS or IDPS guide (as the case may be) carefully before making any decision relating to our advice.

Ongoing service arrangements

You have the opportunity to enter into an annual Ongoing Service Arrangement ('OSA') with PPSPW, which sets out the terms of our ongoing services to you, including in relation to fees. We will seek your written consent to renew the OSA each year with us.

Our standard OSA terms and conditions are provided in the Appendix to this FSG.

Your privacy and access to your information

As part of the financial planning process, we need to collect information about you and maintain a record of your personal information. We are also required under the Anti-Money Laundering and Counter-Terrorism Financing (AML-CTF) Act 2006 to implement client identification processes. We will need you to present identification documents such as passports and driver's licences in order to meet our obligations.

We maintain a record of your personal information. You have the right to withhold personal information, but this may compromise the effectiveness of the advice you receive. If your personal information is incomplete or inaccurate, this could affect our ability to fully or properly analyse your needs, objectives and financial situation, so our recommendations may not be completely appropriate or suitable for you.

Your Adviser and PPSPW will take reasonable steps to protect your information from misuse, loss, and unauthorised access, modification or improper disclosure. As part of our continuing commitment to client service and maintenance of our client confidentiality, we are bound by the Australian Privacy Principles (APPs) established under the Privacy Amendment (Enhancing Privacy Protection) Act 2012. We keep your personal information confidential, and only use it in accordance with our Privacy Policy. Some of the ways we may use this information are set out below:

- Your Adviser and PPSPW may have access to this information when providing financial advice or services to you. Where possible we will obtain that information directly from you, but if authorised by you we may also obtain it from other sources such as your employer or Accountant;
- Your Adviser may, in the future, disclose information to other financial Advisers, mortgage brokers, accountants and those who are authorised by PPSPW to review customers' needs and circumstances from time to time, including other parties associated with PPSPW;
- Your information may be disclosed to external service suppliers both here and overseas who supply administrative, financial or other services to assist your Adviser and PPSPW in providing financial advice and services to you. A list of countries where these service providers are located can be accessed via the PPSPW Privacy Policy;

- Your information may be used to provide ongoing information about opportunities that may be useful or relevant to your financial needs through direct marketing (subject to your ability to opt-out as set out in the PPSPW Privacy Policy); and
- Your information may be disclosed as required or authorised by law and to anyone authorised by you.

Our Privacy Policy contains information about how to make a complaint about a breach of the Australian Privacy Principles. For a copy of PPSPW's Privacy Policy visit www.pitcher.com.au/privacy or you can contact us.

You can request access to the information your Adviser or PPSPW holds about you at any time to correct or update it as set out in our Privacy Policy. If you wish to examine your file, we ask that you make a request in writing and allow up to fourteen working days for the information to be provided. We may charge a fee to cover the cost of verifying the application and locating, retrieving and/or copying any material requested. If the information sought is extensive, we will advise you of the likely cost in advance and can help you to refine your request if required.

Another Adviser may be appointed to you if your existing Adviser leaves PPSPW or is unable to attend to your needs due to an extended absence from the business. In these circumstances, PPSPW will write to you advising you of the change. Your personal information will be passed on to the new Adviser.

How we charge fees

We are for the most part a fee for service company. Our predominant source of income is the money you agree to pay us for our services. This is usually in the form of an initial advice fee and an ongoing service fee. Fees will be fully disclosed to you in your advice documents, and the terms of our ongoing services arrangements are governed by the OSA.

We will generally:

- Charge a fee directly to you based on the value of unborrowed assets on which we advise;
- Charge a fee directly to you based on the hours involved in the assignment and the level of staff required to provide the advice;
- Receive commissions paid to us by the product issuers whose products we recommend to you; or
- Charge any other combination of the above.

A further breakdown of fees is as follows:

Initial advice fee

For our initial review and advice, we may charge a fee of between \$1,100 to \$22,000 incl GST, depending on the complexity of your situation. The Initial Advice Fee is the cost of us preparing and subsequently implementing your personalised strategy. The fee for a financial plan will vary depending on the complexity of the advice and strategy provided. The fee will be agreed upon prior to the preparation of the financial plan.

Ongoing service fee

Depending on your personal situation and the services you require, you may elect to take up our ongoing service offering. We will either:

- Charge a set fee agreed upon upfront, or;
- Charge a fee based on assets under management. Our fee scale will depend on the nature of the assets managed and the investment strategy adopted. Typically, this will range between 0% - 1.5% of funds under management. Generally, the rate will depend on the amount of your investments, as follows:

Up to \$1m (inc. GST)	\$1m - \$5m (inc. GST)	\$5m+ (inc. GST)
1.1%	0.88%	0.66%

This fee may be subject to an annual minimum amount.

We will always agree our fees with you upfront and prior to proceeding with work. As described above, fees will be fully disclosed to you in your advice documents.

Share transactions

If we recommend you buy or sell shares, we may charge a % fee of the value of the trade when we arrange it for you (in addition to the brokerage charged by your stockbroker).

Ad hoc fees

If you do not wish to take up our ongoing service offering we can provide you with ad hoc services when requested. The Hourly charge-out rates for our team of professionals ranges between \$165-\$660 per hour inclusive of GST.

Fees will include, but are not limited to, all professional time for drafting, reviewing and completing documents, correspondence, advices, conferences, reading materials, traveling (where related to the work), telephone calls, research and providing letters where requested by you. We will always agree our fees with you upfront and prior to proceeding with work. Fees will be fully disclosed to you in your advice documents that we provide you.

Other payments PPSPW may receive

- **Placement or Distribution fees:** We will disclose any remuneration we are likely to receive when presenting these investment opportunities.

Relationships *and* associations

It is important for you to understand the relationships that exist between us and other service providers, as they may be considered to influence our recommendations to you.

PPSPW is part of the Pitcher Partners Sydney Firm and is a privately owned and run company associated with the Pitcher Partners network of separate accounting firms, and is a network member of Baker Tilly International Limited.

We have associations with a wide range of Financial Product issuers and Service Providers. However, we are not owned by any Financial Product issuer or Service Provider. From time to time, we may refer you to other professional service providers and we may refer you to related entities for certain services, when appropriate, that may encompass accounting and tax services.

If we identify that you have a need for credit assistance services, i.e. mortgage broking, commercial financing and leasing services, or personal insurance services, i.e. life or income protection insurance, we can arrange for those services through a referral to one of a panel of other professional service providers. Where a referral is made, PPSPW will disclose any referral fee or commission it may receive in your Statement of Advice or at the time the referral is made.

Whilst we may refer you to a related entity within the Pitcher Partners Sydney firm, such as PPNSW Services Pty Limited for accounting and taxation services, you should understand that these other services are not provided under the PPSPW AFSL and PPSPW does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Throughout the Pitcher Partners business, common directorships and common shareholdings do exist between us and they are, therefore, a related entity. PPSPW is not responsible for advice, services or information provided to you by any related entity. You are under no obligation to use the services of any related entity.

Other disclosures

- We may recommend an Administration Platform to assist in the consolidation in reporting on your financial affairs. We may own shares in these companies, which are publicly listed, on the same terms as any other share holder.
- We may receive small benefits like entertainment or hospitality from certain product providers at no additional cost to you. PPSPW keeps a register to record benefits valued up to \$300. A copy of this register will be provided within seven days upon request.
- Advisers may have shareholdings in Public Companies. This information is available upon request.

Memberships

- **The Principals Community:** Aimed at supporting AFSL holders grow their business whilst understanding and exceeding legal requirements, which are constantly changing aspects of our industry.
- **Risk and Compliance forum:** Facilitated by legal firm Holley Nethercote, this is a forum that brings together risk and compliance professionals to collaborate and learn.

Insurance

PPSPW has a Professional Indemnity Insurance Policy ('PI policy') in place which meets the requirements of the Corporations Act 2001 (Cth).

The PI policy covers us and our representatives for claims made against us by clients as a result of the conduct of our employees or representatives in the provision of financial services, even if that person has ceased to act or work for us.

If your complaint has not been satisfactorily resolved, please contact Cecilia Truong, Complaints Officer of Pitcher Partners Sydney Private Wealth, on +61 2 9221 2099 or put your complaint in writing and send it to her at GPO Box 1615, Sydney NSW 2001.
